# Campaign Center SERVICES

## Shared hosting

---

Great for single website with easy to use cPanel and unlimited email accounts for your personal or business needs.

## Reseller hosting

---

The best choice for when you need basic email marketing or have a couple of websites or clients and you wish to resell hosting.

## Managed hosting

---

Excellent for small businesses that need Wordpress, Mautic or CC updated and protected. Unbitable for support and maintenance of your website.

## Support & Addons

---

When you need to get more out of your packages, extend your subscription with additional disk space, IP address, send more emails or get additional support.

## Promotion

---

Get in touch and we'll create an unforgettable Promotion that will spread Awareness of your Goods and Services and Deliver high Quality Leads, that will become your Customers.

## Custom Development

---

Let's Create a killer Project, Together! Contact Me and we will find a way to Make your Idea come to Live as a universal Web Application.
